ARTICLES OF AGREEMENT

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

I. DEFINITION OF UNIT

1. The Bergen Community College Professional Staff Association, having been certified as a result of an election conducted by the Public Employment Relations Commission (Docket #RO-79-193), and through the Agreement of the parties, as the negotiating agency for all current and future regular full time employees employed on the campus or on leave in the job classifications listed in Appendix A is hereby recognized by the Board as the exclusive negotiating agent for all employees in said negotiating unit.

2. The College shall have the right to determine whether any classifications established subsequent to the effective date of this Agreement are to be included or excluded from the bargaining unit, subject to the Association right to submit any recommendations concerning the placement of such classification. In the event the parties fail to agree, the dispute shall be jointly submitted to PERC for a unit clarification in accordance with its rules and regulations.

3. The Board agrees not to negotiate with any member in the bargaining unit individually, or with any organization or group within the bargaining unit other than the Association for the duration of this Agreement.

II. UNDERSTANDINGS RELATIVE TO THIS DOCUMENT

1. The Board agrees that it shall not, during the period of this Agreement, affect changes concerning terms and conditions of employment inconsistent with Chapter 123, P.L. of N.J. 1974 except those that are negotiated and included as a part of this Agreement as amendments. Any such mutually accepted amendments thus negotiated and ratified by the Board and Association shall be reduced to writing and executed by both parties and shall become part of this Agreement.

2. The dates of this contract are from July 1, 1985 until June 30, 1988.

3. This Agreement supersedes all previous understandings and agreements between the Association and the Board.

4. If any provision of this Agreement or any application of the Agreement to any member or group of members shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or application of this Agreement shall continue in full force and effect.

5. The Board agrees to duplicate and present copies of this Agreement, within a reasonable time, after signing by both parties, to all Professional Staff employees, current and future.

6. Whenever the male pronoun is used it is understood to include the female pronoun, unless inappropriate.

7. The Association agrees that it shall actively work with the College to support all reasonable efforts to increase productivity and reduce costs through all appropriate measures and programs.

III. NEGOTIATIONS

1. The parties shall enter into negotiations no later than October 15th of the date preceding the expiration of this contract, unless otherwise agreed to in writing by both parties.

The Association and the Board agree that negotiations shall proceed in good faith effort on the part of both parties to arrive at an Agreement on hours, wages, and other conditions of employment within the rules as set forth in Chapter 123, P.L. of N.J. 1974. The Association as well as the Board has the right to make proposals to be considered for inclusion in a successor Agreement.

2. Whenever any representative of the Association is mutually scheduled by the parties to participate during working hours in negotiations, grievance proceedings, conferences, or meetings which are related to Association matters, he shall suffer no loss in pay, nor be expected to compensate in any way for time spent in carrying out such responsibilities, nor shall he receive extra compensation therefore.

3. Neither the Board nor the Association shall have or exercise control over the selection of the negotiating representatives of the other party, and it is mutually agreed that said representatives shall have all necessary authority to make proposals and make counter proposals during negotiations.

IV. BOARD RIGHTS AND RESPONSIBILITIES

1. The Association recognizes that the Board has the responsibility and the authority to manage and direct on behalf of the public and itself all the operations and activities of the College to the full extent authorized by law. It is understood and agreed that such managerial rights are limited only by the specific provisions of this Agreement and applicable statutes.

V. ASSOCIATION RIGHTS AND RESPONSIBILITIES

1. The Association shall enjoy such rights and privileges as are accorded by this Agreement and by law.
2. The Board agrees that each eligible employee of the College may, on his own volition, have the right to join and support the Professional Staff Association and its affiliates for the purpose of negotiating hours, wages, and other conditions of employment. Further, he may take part or not take part in any Association activity for his and the Association's mutual aid without fear of discrimination. It is further agreed that no employee will be discriminated against by reason of his membership or lack of membership in the Association, its affiliates and his activities therein.
3. Duly authorized members of the Association shall be permitted to transact official Association business on College property when such transactions in no way interfere with College business or their scheduled working hours; such permission shall not be arbitrarily withheld.
4. The Association shall supply, at its own cost, all material, stationary and other supplies required for use in carrying on the administrative, financial or operational functions of the Association. College equipment, when not required for College purposes, shall be available for use on campus by the Association.
5. With the prior approval of the President or his designee, the Association's duly authorized representatives will be permitted use of College facilities for meeting purposes at such time and place as will not interfere with, delay, or defer any activity or function of the College.
6. The Association shall be permitted reasonable use of the College internal mail and telephone system. Postage for external mail for Association purposes shall be provided by the Association. All outside calls, local and long distance, for Association purposes shall be paid for by the Association.
7. A bulletin board in the location designated by the President of the College for official Association purposes shall be provided in the mega-structure and in Building A.
8. Representatives of the New Jersey Education Association and the National Education Association shall, upon notice to and with the approval of the President or his designee, be admitted to the College during working hours to assist the Association, provided that it shall not interfere with or interrupt normal College operations. Such permission shall not be arbitrarily withheld.

9. The members of the Association are required to adhere to all rules and regulations necessary for the proper administration and conduct of the College. The Association will cooperate with the Administration on this matter for their mutual best interest.

VI. MEETINGS BETWEEN ADMINISTRATION AND ASSOCIATION

1. During the period of the Agreement, meetings shall be held upon the request of either party between the Executive Assistant to the President - Personnel Services, or his designee, and a committee consisting of no more than two (2) members of the bargaining unit. Such meetings will take place at a time mutually convenient to all parties and Association members' supervisors without loss of pay during normal working hours.

VII. HOURS OF WORK

1. Normal hours shall be thirty-five (35) hours per week (i.e. seven (7) hours each day over a period of five (5) days in a given week), exclusive of lunch periods. It is understood and mutually agreed that operating needs of a Division/Department shall govern the scheduling of shifts. Present work schedules shall remain in effect as far as practical with full understanding that the operational needs of any given Division/Department must be met in considering any proposed changes. The Administration has the right to set hours within the limits as defined above and determine shifts as operational needs dictate for each classification of employee.
2. Employees shall use professional judgement in determining the lunch and work breaks giving full consideration to the operational needs of the Division/Department.

VIII. SUMMER HOURS

1. Summer hours shall mean that:
 - a. Thirty-five (35) hour employees work a thirty (30) hour week (i.e. five (5) six (6) hour days).
 - b. The intent of the above is to reduce the "normal" work day by one hour. Should an employee be required to work that hour he will be compensated at his regular straight time hourly rate.
2. Summer hours shall start on the third Monday of June or the Monday following completion of registration for the summer session, whichever is earlier. They shall end on the Monday prior to Labor Day.
3. The operational needs of the College shall govern in the application of the above hours to the working schedules of individual employees; this will require some staggering of starting times and/or work weeks. Preferences of individual employees will be considered to the extent practical.

IX. OVERTIME

1. Work in excess of seven (7) hours a day shall be paid at one and one-half (1 1/2) times the regular hourly rate of the employee up to a maximum rate of twenty dollars (\$20.00) per hour. The maximum overtime hourly rate shall be increased to twenty-one dollars (\$21.00) effective July 1, 1985, twenty-three dollars (\$23.00) effective July 1, 1986 and twenty-four dollars (\$24.00) effective July 1, 1987. Work must be in excess of one-half (1/2) hour of continuous work to be counted as overtime and shall be recorded and paid to the nearest quarter (1/4) hour. Overtime shall be scheduled and worked as required by the Division/Department's needs and authorized in advance by the Division/Department Head.

X. COMPENSATORY TIME

1. Extra work authorized for, and performed by regular full time employees may be compensated by allowing equivalent compensatory time at the proper overtime rate. Compensatory time is granted only at the discretion of the Division/Department Head in consultation with the Executive Assistant to the President - Personnel Services, or his designee, at the time extra work is authorized. The maximum amount of compensatory time permitted is limited to twenty-one (21) hours on a revolving bank arrangement. Requests for the use of compensatory time that has accrued must be in writing and approved by the Division/Department Head and the Executive Assistant to the President - Personnel Services or his designee. Work must be in excess of one-half (1/2) hour of continuous work to be counted as compensatory time. Permission to earn and/or use compensatory time shall not be arbitrarily withheld.

XI. CALL IN TIME

1. Should any employee who has left the premises be called into work, he is guaranteed a minimum of (3) hours of work. The hours of call in time shall be calculated at one and one-half (1 1/2) times the regular hourly rate up to a maximum as stated in Article IX., Overtime. Individuals called in prior to the start of their shift who work into their regular shift shall be compensated at one and one-half (1 1/2) times their hourly rate up to a maximum as stated in Article IX., Overtime, for time actually worked prior to the start of their shift.

XII. PLACEMENT ON SALARY SCHEDULE

1. Salary ranges for the first year of this Agreement (July 1, 1985-June 30, 1986) shall be listed in Appendix "A". Salary ranges for the second year of this Agreement (July 1, 1986-June 30, 1987) shall be listed in Appendix "B". Salary ranges for the third year of this Agreement (July 1, 1987-June 30, 1988) shall be listed in Appendix "C".

For the contract year commencing July 1, 1985, July 1, 1986 and July 1, 1987, the salary ranges shall be increased by seven percent (7%) above the previous contract year salary range. Each member with a full year of active service completed prior to July 1st of the current contract year shall receive a salary adjustment of seven percent (7%) to the June 30th base salary of the prior contract year.

2. Adjustments for those employees with less than a full year of active employment will be partial, as follows:

8 months or more	100%
6 months, but less than 8 months	75%
4 months, but less than 6 months	50%
2 months, but less than 4 months	25%
less than 2 months	0%

Additional adjustments, not to exceed the maximum for the particular job classification, may be made at the discretion of the Administration with the mutual agreement of the Association.

3. In the event that an employee is required to work at a higher level position than the one for which said employee was engaged, the employee shall, after five (5) weeks in the higher level position, be compensated at the higher rate until the position is permanently filled. Shift differentials shall be paid to employees who are asked to change their shifts for a period in excess of one (1) week. If an employee is asked to change his shift for the convenience of the College on a day-to-day basis, and said day-to-day continuous basis exceeds one (1) week, he shall be paid shift differential on a retroactive basis to the first day.

4. An employee will be told, when hired, that Saturday or Sunday may be part of said employee's regularly scheduled work week. If an employee's work schedule involves either Saturday or Sunday, or both, his schedule will be arranged to afford him two (2) consecutive days off during the week, whenever possible. In a multi-employee situation, the employees shall be given the opportunity to work out work schedules, subject to the approval of the Division/Department Head, sharing work on weekends or whatever other hours are required for the welfare of the College. In the absence of an agreement on the part of the employees, assignments to such hours shall be made by the Division/Department Head. He shall give primary consideration to employees with seniority.

5. Employees who have completed ten (10) years of continuous service shall receive a one-time payment of \$400.00 in the month following the month in which they complete the ten (10) years. Employees with continuous service dating from June 30, 1970 or earlier shall continue to have a \$100.00 increment added to their annual base salary.

XIII. SHIFT DIFFERENTIAL

1. Full time employees permanently assigned to working outside of the regular day schedule will receive a shift differential of \$850.00 per annum.

XIV. VACANCIES, NEW POSITIONS, TRANSFERS AND PROMOTIONS

2. The notice shall be posted for five (5) work days and employees interested therein must submit a written application stating their qualifications to the Executive Assistant to the President - Personnel Services, or his designee, within the aforementioned five (5) work days. The notice shall include salary range, title, division/department, summary of job description, hours and shall be posted on designated bulletin boards.

3. All applicants shall be considered and those who meet the qualifications for the posted position will be interviewed. All applicants will be given a reply to their application when the position is filled. No position shall be filled until all properly submitted applications have been considered. The successful applicant may not reply to another posting until having served at least one (1) year in the new position.

4. The Executive Assistant to the President - Personnel Services or his designee and the Division/Department Head having the open position shall rate the qualifications and abilities of employees who apply and, in the event two (2) applicants are of equal experience and ability, as determined by the Executive Assistant to the President - Personnel Services, or his designee, the applicant with the greater seniority shall be awarded the job. When qualifications are equal, seniority shall prevail in matters of shift change, layoff, and recall.

5. If Division/Departmental needs require the upgrading of an existing position, the incumbent in the position in question will be given first consideration if qualified.

XV. PROMOTIONAL INCREASE

1. Upon promotion an employee shall receive a promotional increase of six and three-quarters percent (6 3/4%) (but in no case less than \$925.00) of base salary. The new salary may not exceed the maximum of the new position. Reclassification of an employee to a position with a salary maximum of at least \$500.00 in excess of the salary maximum of his former position will be considered a promotion.

XVI. TERMINATION OF EMPLOYMENT

1. An employee who is resigning from his position shall give a two week written notice to his immediate Division/Department Head and the Executive Assistant to the President - Personnel Services, or his designee. Failure to give the required notice in writing shall cause the employee to have deducted from his accrued vacation time one day of earned pay for each day the notice of termination is late.

2. Earned vacation shall be paid according to the proportion of full months worked to the total contract year upon proper notification of termination, providing the employee has worked a minimum of six (6) months.

3. Violation of College rules and regulations or poor performance may result in disciplinary action. Except in extreme cases, disciplinary measures will be progressive in order to convince the employee of the seriousness of the situation and the importance of correcting his behavior. The normal progression of actions, depending on the seriousness of the offense and the prior record of the employees, will be as follows:

- a. Verbal warning
- b. Written warning
- c. Suspension without pay (maximum two (2) weeks.)
- d. Discharge

When an employee is disciplined he will be given a reasonable period in which to correct his behavior or face further disciplinary action.

4. No Professional Staff employee shall be disciplined without just cause. An employee who has been disciplined or discharged may grieve such action in accordance with the article of the Agreement entitled "Grievance Procedure." The Administration and the Association mutually agree to expedite such a grievance in order to process it to its final conclusion within two (2) weeks of its initiation. Notwithstanding the above, the dismissal of a probationary employee for cause is not grievable.

XVII. SNOW CLOSINGS

1. When it is necessary to close the college because of heavy snow, this decision will be announced on the appropriate designated radio stations. To the extent practical, employees at home will also be notified by phone "snow chain."

3. The President or his designee will establish the start time and end time of the snow closing.

XVIII. SEVERANCE ALLOWANCE

1. Should it be necessary for the college to terminate or lay off any employee on the Professional Staff because of financial exigency or bona fide discontinuance of a program or division/department of instruction, the employee concerned shall be given notice as soon as possible. The terminated employee shall receive one (1) week's pay for each year of service to a maximum of fifteen (15) weeks. Before terminating an employee because of discontinuance of a program or division/department of instruction, the College will make every effort to place the employee in another suitable position.

Reduction in force shall be made in inverse order of their seniority (least senior member first) provided that employees with greater seniority are capable of performing the available work as scheduled.

(i.e., employee on leave) the sick day allowance shall be prorated in accordance with the number of months of active employment. All sick leave shall be calculated on a bank arrangement, i.e., an employee starts work on August 12, said employee shall have eleven (11) sick days during the period through June 30. Unused sick leave is accumulated from year to year; maximum fifteen (15) days each year. Sick leave may be used for the employee's illness or a sick dependent. The College has the right to require an employee to provide a doctor's certificate if absent for more than three (3) consecutive working days or for recurring absences. The College shall advise each employee, in writing, as to the amount of accumulated sick leave time on or before June 30th of each year.

An employee shall be allowed a maximum of two (2) days which shall not be charged against sick leave provided the employee meets part (minimum of three (3) hours) of his obligation on said days.

Upon termination, except for cause, after an employee's fifty-fifth (55th) birthday and five (5) years of employment or after fifteen (15) years of active employment, the employee shall be paid for one-half (½) of his unused accumulated sick days at a daily rate based upon the employee's salary at the time of termination up to a maximum payment of \$12,000.00. Effective July 1, 1987, the maximum payment shall be \$12,500.00. In the event of an employee's death prior to termination, regardless of age or length of service, his beneficiary(s) shall be paid one-half (½) of his unused sick days calculated as above.

2. BEREAVEMENT DAYS

XXVIII. GRIEVANCE PROCEDURE

1. INTENT

The College and the Association agree that they will use their best efforts to encourage the informal and prompt settlement of complaints and grievances which may arise between the Association, its employees, and the College. Nothing herein shall prevent employees from discussing problems privately with their supervisors in an attempt to resolve them.

2. DEFINITION

A grievance is an allegation by an employee or the Association that there has been a misinterpretation, misapplication, or violation of the terms of this Agreement or an arbitrary or discriminatory action by the College affecting a term or condition of employment.

3. PROCEDURE

- a. Step One - Within fifteen (15) working days after the occurrence giving rise to a grievance is known or should have been known, the employee shall discuss the grievance informally with his immediate supervisor with the object of resolving the matter informally.
- b. Step Two - If, within ten (10) working days following the initial discussion (Step One), the grievance has not been resolved to the satisfaction of the employee, he may formally submit to the Executive Assistant to the President-Personnel Services, a written grievance on the proper form. Within ten (10) working days after receiving the written grievance the Executive Assistant to the President-Personnel Services shall render a written report of the disposition of the grievance to the grievant.
- c. Step Three - In the event the grievant is not satisfied with the disposition of the grievance at Step Two, he may, within fifteen (15) working days after receipt of the disposition of Step Two, refer the grievance to the President. The President, or his designee, shall conduct a hearing on the grievance appeal. The President shall render his report and decision on the grievance appeal within twenty (20) working days from his receipt of the grievance. Copies of the President's decision shall be given to the grievant and the Association.

- d. Step Four - If the grievant is not satisfied with the disposition of the grievance by the President or his designee, he may transmit the grievance to the Board of Trustees of Bergen Community College by filing a copy of the grievance within seven (7) working days of receipt of the decision, through normal channels, with the secretary of the Board of Trustees. The Board of Trustees shall, within thirty (30) calendar days of the receipt of the grievance by the secretary of the Board, hold a hearing on it, if the grievant requests such a hearing. Otherwise, the Board of Trustees may consider the written record submitted to it by the grievant, or the Board may, on its own motion, conduct a hearing.

The Board of Trustees shall make a determination of the grievance in writing within seven (7) days of the last hearing or last submission of materials, indicating its disposition of the grievance. A copy of the Board's disposition shall be transmitted to the grievant and the President. The disposition of the grievance by the Board of Trustees shall be final.

The Personnel Committee of the Board of Trustees or a special three-member Committee of the Board of Trustees, designated by the Board of Trustees, may be substituted for a Board of Trustees, if the Board of Trustees so decides, for the purpose of holding a hearing on a grievance, and such a hearing shall be as binding on all parties as if held by the Board of Trustees.

- e. If the College or its representative fail to respond at any step of the grievance procedure within the time limits, the grievant or the Association will have the option of requesting an immediate response or moving the grievance to the next step of procedure. Failure of the grievant and/or the Association to respond within the time limits shall be deemed to be an acceptance of the College's decision.
- f. The time limits set forth in the procedure may be extended by mutual agreement.
- g. Any aggrieved person may be represented at all stages of the grievance procedure by himself or, at his option, by a representative of the Association.
- h. All conferences and hearings conducted under this grievance procedure shall be conducted in private and shall be limited to the parties in interest, their representatives, and a witness, during the course of his testimony.
